

DISTINGUISHED BROKER REPRESENTATIVE GUIDE 2022

01

ABOUT US

Distinguished Broker has sought to align our interests with those of our investors, investment partners, and employees. This has allowed us to proudly build and maintain a culture of ethical behavior, transparency, and social responsibility in both our investments and our operations.

By performing a wide range of operations, Distinguished Broker makes profits from different diversified sources like trading operations on the cryptocurrency and currency markets, dividends from the implementation of successful startups, and commissions for exchange operations for large legal entities.

As a global investment firm, we foster diverse perspectives and embrace innovation to help our clients navigate the uncertainty of capital markets. We're fostering a culture of diverse perspectives and innovation to help advance our clients' success. And we're doing it responsibly—from how we act to how we trade—because outcomes mean more than financial returns.

We're committed to helping you achieve better outcomes...the way you define them. We get there by empowering diverse perspectives and breaking through boundaries. We're collaborative and connected—and we never stop working for you.

Serving Our Clients

We work every day to earn our clients' trust, whether they're individual investors or the world's biggest institutions. By tapping a global network of diverse perspectives, we design innovative solutions tailored to meet investors' unique needs and engineered to deliver the performance they expect. We offer sophisticated wealth-planning tools and expert advice for high-net-worth individuals, families and smaller institutions, helping investors make their money meaningful.

A solid pool of liquidity for the company's operations is provided by attracting private investments. By allocating a part of its profits to its investors, **Distinguished Broker** provides the company's professionals with the necessary funds to carry out trading transactions, investments, and conversions. Thanks to this, you can distribute funds in various directions and not miss profitable projects and deals. Our approach to active investment management is based on an investment process that fully integrates sustainability analysis into our decision-making and is focused on long-term performance.
